

TRUE NORTH
**CANDIED
SALMON
STRIPS**

Go ahead and have dessert for dinner.

You're about to develop a sweet tooth for our ready-to-eat candied salmon. Fresh Atlantic salmon strips are cured in a proprietary blend and then lightly smoked in a hardwood combination until they're absolutely addictive. Our ready-to-eat candied salmon is perfect for salads, elegant appetizers or on their own as a delicious snack.

We do things right because it's the right thing to do.

Our salmon is raised in the clear, fresh waters of the North Atlantic in the Gulf of Maine and Atlantic Canada. We control every step of the way – from egg to plate.
