

# PACIFIC WHITE SHRIMP

LITOPENAEUS VANNAMEI

Famous for their sweet, clean taste and firm white texture, our shrimp cook to an appealing pink color and have a natural 'bite'. You will love them in a dish or served on their own as an appetizer.

# Delicious shrimp, as nature intended.

As one of one of Latin America's largest producers of farmed shrimp, we are committed to quality. After harvesting, we flash freeze them to lock in their fresh, delicious flavor without any additives or preservatives. Our shrimp has been raised 100% without the use of antibiotics.
